**Status:** Full Time

**Benefits:** Full

### Position Summary

This position is responsible for providing Mental Health Targeted Case Management services to American Indian families who have a child in need of mental health services and reside on or near the White Earth Reservation. This position will work to assist in the improvement of the social and psychological functioning of children and their families and to maximize the family well-being and the academic functioning of children.

### Position Outcomes

- Assist the child and the child's family in obtaining needed mental health services by coordinating with the family and other agencies to assure collaboration of services, effectiveness of services and continuity of care.
- Assists in obtaining a comprehensive diagnostic assessment to determine necessary services to improve client's mental wellbeing.
- Completes functional assessment to identify areas of need and level of service intensity for the development of the Individual Family Community Support Plan (IFCSP).

### Knowledge, Skills and Abilities

- Knowledge of and the ability to follow and apply the policies and procedures of the White Earth Tribal Council and the Mental Health Department.
- Knowledge of the demographics, culture, customs, lifestyles and geography of the White Earth Reservation.

### Qualifications

- Bachelor's degree in social work, psychology, counseling, or related field.
- Prefer Licensed Social Worker
- Prefer completion of 40 hours training approved by DHS in case management.
- Valid driver's license and insurance for travel between sites and other business related destination.
- Must be able to pass a criminal background check and drug screening.
