## White Earth Reservation Tribal Police Department Remains Strong

**WHITE EARTH, MINN.** – The White Earth Tribal Police Department (WEPD) continues to remain operationally and organizationally strong. While there have been budgetary cuts made to this government sector, it will have minimal impact on the public.

WEPD currently employs 24 personnel between administration, patrol and investigative divisions. Furthermore, there are also six dispatchers that maintain a 24/7 dispatch center that provides emergency communication for the tribe under the White Earth Department of Public Safety. WEPD continues to uphold adequate coverage and maintains support from surrounding law enforcement agencies.

The White Earth Reservation Public Safety/Police Department remain strong.

Thank You

Chief of Police Michael J. LaRoque
