

MISSION STATEMENT

The mission of the Tribally designated Housing Entity (TDHE) is to maintain and enhance the quality of life of Tribal Members and future generations. The TDHE accomplishes its mission through programs and projects that are designed to promote the social, environmental, community, and economic development on the White Earth Reservation.

Specifically, the TDHE is committed to:

- Increasing incomes and employment opportunities for Tribal Members.
- Developing and maintaining community systems and services that support the quality of life on the reservation including housing, education, health care, transportation, and social support services for low and very low income Tribal Members.
- Promotion of the wise utilization and continued improvement of the natural resource base on the reservation.
