REQUIRED DOCUMENTATION

Before your award eligibility is determined, your WESP application/file must be complete. Funding amounts will be determined by the date of applying to WESP, file completion, and your eligibility to receive federal student aid. Your application will be considered incomplete if our office does not receive all of the required information. Students not complying with program requirements risk ineligibility for funding through WESP.

You must submit grades after each term you attend prior to release of any subsequent awards, as well as course registration for the upcoming term.
