

White Earth Food Distribution & NAPS

FDPIR AND CSFP EMERGENCY PLAN FOR COVID-19

There will be no public access to the Food Distribution Store & Office until further notice.

We will continue to provide your monthly food packages and CSFP via telephone, email; you can also place your food order or apply by calling 218-935-2233 prior to pick up. Re-certifications or new applications will be coordinated with the eligibility staff and we will make every effort to assist you in this process.

We will pre-package your food orders and they will be picked up at the drive through access adjacent to the store. **Please do not send anyone to pick up your food if they are experiencing any flu like symptoms or have compromised immune systems.**

We will take orders on a first come-first serve with priority given to elderly clients. Please be respectful and patient during this time as we work through this emergency situation.

Call numbers for orders and eligibility staff:
