## Job Announcement

**Position: Mental Health Clinical Trainee**

**Location: Varies**

**Pay: \$32.52/hr. or DOQ**

**Position Summary:**

This is an entry level professional position. Clinical trainees are expected to provide clinical services under direct supervision and in consultation with mental health professionals. Responsibilities include providing psychotherapy, conducting diagnostic assessments, providing treatment plans, preparing reports, and completing required documentation and other necessary forms as required by White Earth Mental Health. Clinical trainees must comply with requirements for licensure or board certification as a mental health professional, including supervised practice in the delivery of mental health services for the treatment of mental illness.

**Position Outcomes:**

- Identify and diagnose psychological, emotional, or behavioral disorders for clients of all ages.
- Develop and implement treatment plans and therapeutic interventions.
- Meet with individuals, families, and groups in offices, homes, schools, and community settings to provide client-centered services.
- Assist clients with understanding their problems and developing plans to resolve them.
- Provide a variety of mental health counseling and psychotherapy techniques for clients and their families.
- Work with children's families/guardians to secure their cooperation in treatment plans and ongoing services.
- Other duties as assigned.

**Knowledge, Skills and Abilities:**

- Knowledge of principles, techniques and trends in counseling, psychotherapy, substance abuse and various treatment modalities.
- Knowledge of biological, behavioral and environmental aspects of emotional disturbances, mental health disability, and substance use disorders.
- Knowledge of the scope and activities of tribal, public, and private health and child welfare agencies and other available community, tribal, country, state, and federal resources.
- Ability to prepare treatment plans, client treatment recommendations, and a variety of reports.
- Ability to handle stress and unstable client behavior.
- Ability to recognize a potential crisis and deliver crisis intervention services.

**Qualifications:**

- **Master's degree in psychology, counseling, social work, or marriage and family therapy from an accredited college or University OR must be a student in a bona fide filed placement or internship under program leading to completion of the requirements for licensure as a Mental Health Professional in Minnesota AND:**
- **Qualified applicants must have possession of, or ability to obtain, an appropriate valid Minnesota Driver's License, pass a criminal background check, be free of chemical or alcohol abuse problems for at least two years and have knowledge of traditional systems of healing.**
