

## **Lake Lot Application Reschedule Notice**

Attention White Earth Members:

Concern over safe gathering guidelines related to Covid19 and after consulting with Leadership and the White Earth EOC, the decision was made to postpone the lake lot application event planned for Monday, July 13, 2020. We will reschedule and start accepting applications as soon as a safe process is developed.

We regret any inconvenience this may have caused, but the health and safety of our tribal members and employees is our highest priority

Thank you for your understanding,

The White Earth Land Office
