

## **Mahnomen Road Construction Updates**

In Mahnomen, the contractor will begin work on Roosevelt Avenue either today (June 18) or tomorrow, and along Railway Street (from Jefferson to Wigham) and along Campbell Ave (from west of Railway Street) and Railway Street (from Jefferson Avenue to Wigham Street) on Monday. Road access may be closed during this time, but you may park your car on a side street which is not being worked on (which includes Campbell (west of Railway St.) and Main Street. As a result, the city will not be enforcing the Main Street no parking requirements between 2 a.m. and 6 a.m. south of Jefferson.
