

White Earth Nation Homeowner Assistance Fund (HAF) Survey

The White Earth Nation Department of Human Services is seeking input from American Indian homeowners regarding difficulties with homeownership that they have experienced due to the COVID-19 pandemic. We are in the process of submitting an application to receive funding from the U.S. Treasury Department for a Homeownership Assistance Fund (HAF) Plan and would like to ensure that we design a plan that aligns with our community's needs. This survey will take approximately 10 minutes to complete. The survey closes this Friday, November 12, at 5 PM. Eligibility requirements to take the survey are listed on the survey. Participating in this survey does not guarantee financial assistance.
