

Notice of Finding of No Significant Impact on the Environment

White Earth Reservation Tribal Council
P.O. Box 418
White Earth, MN 56591 (218) 983-3285.

Date: October 11, 2019

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS

On October 25th, the White Earth RBC will determine whether to approve a land assignment for the following project:

Project, Title or Name:
South Twin Lake Driveway

Purpose or Nature of Project:
Construct a driveway across tribal land for access to private property

Location-City, County, State of Project:
South Twin Lake, Naytahwaush, Mahnomen County, Minnesota

It has been determined that the project referred to herein will not constitute an action significantly affecting the quality of the human environment. A land assignment has been prepared for White Earth RBC consideration.

An Environmental Review Record pertaining to the proposed project has been made by the White Earth Reservation Natural Resource's Division which documents the environmental review of the project and more fully sets forth the reasons why the land assignment may be granted. This Environmental Review record is on file and is available for public examination and copying, upon your request. You may contact:
