CHILD PASSENGER SAFETY SEAT PROGRAM

Child Passenger Safety Seat Program

Protect your future...Buckle up!!!

This **program** provides parents & legal guardians with **information and skills** to correctly choose & use the appropriate child passenger safety seat. **Children** who are not properly **buckled up** may be seriously hurt not only in crashes, but also from sudden stops. **Parents & legal guardians** will be provided an appropriate car seat for their child after completing **educational** session that lasts 20-30 minutes.

Program Guidelines:

- **Must be parent or legal guardian**
- **Parent or legal guardian must attend educational session**
- **Must live within White Earth Reservation boundaries**
- **Each eligible child will receive an appropriate seat at each stage of development-the program can not replace lost, stolen or damaged seats.**

Program hours:

Monday 8:00-4:30pm

Thursday 8:00-4:30pm
